

# PARENT AIDE

## West Las Vegas Schools

Request for access to my child/children's grades and attendance

Dear Parents/Guardians:

West Las Vegas Schools has provided access to your children's grades and attendance via the internet. The program is called PARENT AIDE. A link to the program can be found on the District website, [wlvs.schooldesk.net](http://wlvs.schooldesk.net)

As a Parent/Guardian you will have a user name and password of your choice that will give access to your children's information, their attendance, daily assignments, progress reports and report card grades. Once you have access to the Parent Aide, you can follow your child/children from year to year. You DO NOT need to submit a new form every year.

To obtain access to your child/children's information, please meet with your respectful school site and provide the information requested below.

**PLEASE RETURN ONLY ONE FORM PER FAMILY TO THE SCHOOL DISTRICT.**

Last Name	First Name	User Name	Password (4-6 characters)	Email address	Phone number

Student Name	Date of Birth	Grade Level	School

Please allow seven days after returning your form to the school before trying to access your child's records. Questions should be directed towards site counselors or administrators.
